

## Lemon Cordial

2	Lemons
2 pts	Boiling water
2lbs	Sugar
1oz	Citric acid

Juice and peel lemons into a large bowl and discard rest.

Pour over with boiling water.

Pour in sugar and stir until dissolved.

Pour in citric acid and stir until dissolved.

Allow steeping over night, then strain bits off, bottle and keep in fridge.

Dilute to taste with water and enjoy a refreshing lemon drink.
